

Storyboard group zeus

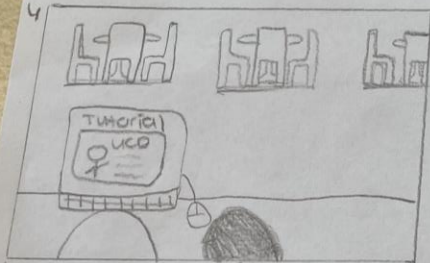

Meet Mark, an aspiring art student seeking a user-centered artist portfolio website.

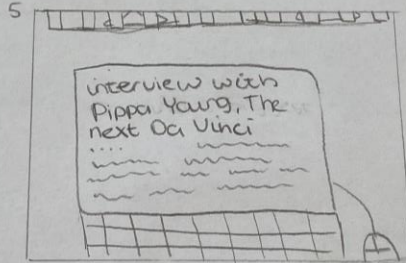

Sarah recommends a user-centered artist portfolio website to Mark.

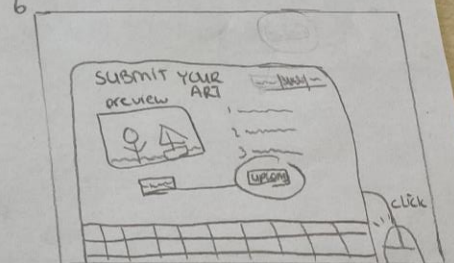

Mark explores the user-centered website, excited by its educational offerings.

Mark benefits from user-centered tutorials, featuring step-by-step instructions and visual aids.

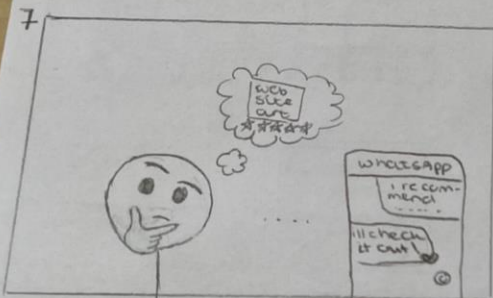

Mark gains inspiration from user-centered artist interviews, exploring creative journeys.

Mark actively participates in the user-centered art community, submitting his artwork.

turn page

Mark appreciates the impact of user-centered design on his artistic growth and community connections.
